

Spanish Apps for the iPhone

The following apps are either free or low cost. There are new apps coming on the market all the time, therefore, this list and rating represents only a starting point. Similar apps can be found for use on Android phones.

 <p style="text-align: center;">myLanguage Translator... Travel</p>	<p>★★★★★</p> <p>This app will let the user input words or phrases in English or in Spanish, or in any other language, and will show a written translation as well as an audio one with a native speaker. A must for travel, but excellent for learning in class. An added feature is that it saves all past translations so they can be recalled at any time.</p>
 <p style="text-align: center;">Flashcards+ Education</p>	<p>★★★★★</p> <p>A normal flash card set up, but the app provides free downloadable Spanish phrases, verbs, adjectives, etc. as well as allowing the user to build their own flash cards. This is a must for learning those areas of Spanish that must be memorized. Other languages provided as well.</p>
 <p style="text-align: center;">SpanishDict Reference</p>	<p>★★★★★</p> <p>This is more than a dictionary. It serves its purpose as a dictionary well, but also has a “word game” that tests ones knowledge of words by speaking them and rating the score as it progresses. It also contains many phrases for everything from directions to camping to love and dating. You name it and it has a phrase for it! There is also a daily word.</p>
 <p style="text-align: center;">English to Spanish Trans.. Travel</p>	<p>★★★★★</p> <p>Provides many categories such as: basic phrases; conversation; meeting people; directions; transportation; food; medical; shopping, etc. The onboard audio has the nice feature of allowing the user to select “regular” speaking speed by the speaker or “slow.”</p>

Spanish Apps for the iPhone

 <p style="text-align: center;">Spanish in a month Education</p>	<p>★★★</p> <p>An app that provides various lessons in Spanish including photos and text with sound. The student is prompted to listen and then pick the correct photo that aligns with the spoken and written words. Kind of clunky in its navigation, but good otherwise.</p>
 <p style="text-align: center;">Free Translator Reference</p>	<p>★★</p> <p>Comes with most languages available for translation. For voice translation it is a one time additional fee of \$1.99 for most languages.</p>
 <p style="text-align: center;">FREE Spanish Essential.. Education</p>	<p>★</p> <p>Comes with built-in flash cards that show the Spanish and English at once and speak the Spanish. Two quiz functions are included, one with text only, the other via audio.</p>
 <p style="text-align: center;">FREE Spanish Tutor - 2... Education</p>	<p>★</p> <p>The free version is somewhat limited. Comes with study list of words and options of multiple-choice quizzes, word puzzles, write in completions and limited flash cards. Full version is around \$3.99.</p>
 <p style="text-align: center;">iSpeak Spanish Reference</p>	<p>Limited to Spanish/English only. Has translation and speaking function.</p>

Spanish Apps for the iPhone

 <p>Spanish Word of the Day Education</p>	<p>Word of the day and a word scramble game.</p>
